The Psychogeriatric Assessment Scales

Subject Interview

Identification Information

1. Subject's name or ID:		
2. Date of interview:		
3. Interviewer's name or ID:		
4. Sex of subject (circle):	Male	Female

I am going to ask you some questions about your medical history and how you are managing.

In this interview, everybody is asked the same questions, so please bear with me if any of them seem odd or inappropriate.

Everything we discuss is confidential.

Let us begin with a few general questions.

Anthony Jorm NH&MRC Social Psychiatry Research Unit Australian National University Canberra ACT 0200 Australia Andrew Mackinnon Mental Health Research Institute Locked Bag No. 11 Parkville Vic 3052 Australia

Cognitive Impairment Scale

Now let me ask you a few questions to check your concentration and your memory. Most of them will be easy.

Could you repeat the three items for me? Repeat objects until all three are learned. Stop after five unsuccessful attempts. C1. I am going to give you a piece of paper. Would you please write any complete sentence on that piece of paper for me? If sentence is illegible, ask "Could you read it for me?", and copy sentence onto sheet. Sentence should have a subject and a verb, and make sense. Spelling and grammatical errors are acceptable. Correct	repea	t them. Remember what they are, because I am going to ask you ne them again in a few minutes.
